was pastor of the Belle Glade church for a number of years, and is now serving in Miami.

DR. SIGMAN MAKES THE HEADLINES
Twins daughters were born to Dr. and Mrs. Murray D. Sigman at the Belle Glade Hospital, January 11th. The first arrived at 6:25 A.M., a 9 lb., 8 oz. girl, and the second daughter, weighing 8 lb., 10 oz., arrived at 6:40 A.M. Both infants are jubilant.

The Sigmans have three boys and were naturally hoping for a girl but "naturally" expected to hit the jackpot.

Mr. and Mrs. Paige Choate are parents of a baby girl, Susan Elaine, born Sunday, January 18th, at the Belle Glade Hospital.

A daughter was born to Mr. and Mrs. James Adams, of Clewiston, at the Belle Glade Hospital this week.

Mr. and Mrs. Albert C. Owens, whose marriage was solemnized at the First Baptist Church, December 23rd, of Mrs. Owens is the former Thelma Juana Buckles, daughter of Mrs. and Mr. Raymond Buckles.

win, John Thabli, Imogene Fern were played and prizes won by Misses. Mrs. Della Aliman and Mrs. Lottie Warren.

Others attending were Mrs. H. K. Arant, Mrs. B. B. Brickley, Mrs. Edna Giese, Mrs. G. H. Dupre, Mrs. Leroy Miner, Dr. the Misses Barbara and Joyce Erickley, Mrs. Peter Muller, Mrs. John Muller White, Mrs. Usher and Mrs. Gilliam.

RUTH HARPER PLANS FEBRUARY WEDDING
Mr. and Mrs. G. C. Harper announce the engagement and approaching marriage of their daughter, Miss Ruth Harper, to Clyde A. McIntosh, of Pahokee. The wedding will take place in February.

Miss Harper is a graduate of Crescent City high school and is now married with her parents to Belle Glade in 1935.

Mr. McIntosh is a graduate of the University of Florida and for the last ten years has been manager at Kahn's store in Pahokee.

Given in marriage by her father, the bride wore a white satin gown with sweetheart neckline, fitted sleeves and long fitted waist with peplum. Her three-quarter veil was of illusion and she carried a bouquet of white carnations centered with an orchid.

Miss Mary Alma Murphy, bridesmaid, wore a dress of turquoise satin and carried a bouquet of pink carnations. Best man was Robert Whitely.

Ribbon bearers were Laurine Anderson and Nancy Bass. Flower girl Bonnie Jean Anderson, wearing a long dress of blue tulle, and David Anderson, immediately following the ceremony a reception was held at the Arden home for the immediate family and a few close friends. Mrs. Jack Barrett, of Canal Point, served the three-tier bride's cake and Mrs. Len Adams served the punch.

Following a night and wedding trip the couple are making their home in Belle Glade, where Mr. McIntosh is employed with the Glades Dry Cleaners.

The bride is a graduate of Pahokee high school, attended The Principia at St. Louis and served with the Waves thirty-three months. She is now employed as secretary at the Everglades Experiment Station.

JONES FAMILY RETURN FROM SOUTH CAROLINA
Mr. and Mrs. Leslie Jones and Mrs. J. B. Jones returned last Saturday night from Wingo, South Carolina, where they attended funeral services for their mother, Mrs. Eva Horne Jones.

Mr. and Mrs. Luther Jones and son Luke returned on Monday, accompanied by Mrs. Jones' mother, Mrs. H. H. Worthington, of Atlanta, Georgia, who will visit here indefinitely.

Mrs. Mrs. Horton, who also attended the services for her mother, has returned to her studies at Pembroke College, Highville, Tennessee.

BRIDAL SHOWER FOR MISS JEAN BRICKLEY
A bridal shower was given last Thursday night at the Community Club House, honoring Miss Jean Brickley. Hostesses were Mrs. Neil Stone and Mrs. Lottie Warren. Guests

WOMAN'S CLUB TO HONOR NEW MEMBERS JANUARY 18

The Belle Glade Woman's Club will honor its new members Wednesday, January 18th, at the Club House. Entertainment, which has been arranged by Mrs. R. E. Hurd, includes luncheon and ballet numbers by the following pupils from the Claret Dance Studio, directed by Mrs. Gladys Chester of West Palm Beach: Mary Crick, Lucie Anderson, Betty Sue Selma, Jo Margaret Parson, Betty Pope, Gail Sasser, Frances Sloan, Norma Nell Starling, Elna Rickels and Jeanne Wynn, accompanied by Mrs. L. P. Parson.

Herbert Michael will appear at a dance and a vocal number, accompanied by Miss Mary Ann Tomack at the piano.

Refreshments will be served and all new members are cordially invited to attend.

SAFETY PATROL PRESENT PROGRAM AT PTA MEETING
At the Monday night meeting of the PTA which was held in the school auditorium, with Mrs. W. C. Bamford, president, presiding, it was decided to have two study groups, one "The Problems of Adolescence," and two, "Parliamentary Procedure." The second study group will be conducted by Mrs. R. L. Murray, (dates to be announced later). Leader for the first group has not yet been appointed.

During the business meeting it was voted to give \$50.00 for the purchase of reference books for the science department. Mrs. Gerald McKee reported the playground and their basketball game started during the holidays, and thanked the Agricultural Board and their efforts.

A rising vote of thanks was given to the City for the benches donated for the playground. It was also voted to buy a French Horn, costing \$25.00, for the band. Mrs. Norman Hayley was appointed as Summer Round-Up Chairman.

The program, presented by the safety patrol, under the direction of the patrol chairman, Mrs. W. D. Matthews, included a history of the patrol, given by Joe Lovett and talks on patrol activities, given by police officers Higbee and Prescott. Captain Jim Maynor, talked on recreational activities of the safety patrol.

Room rent was again awarded to the first grade.

Hostesses for the evening were Mrs. John A. Robinson, chairman, Mrs. Paul Bearden,

MRS. GEORGE RAWLS

MRS. ANNIE BARLOW

who attended the recent National Convention of the Supreme Court Woodmen Circle at the McAlister Hotel in Miami and accompanied Mrs. Amy Strickland, State Delegate, on the Convention Tour of Cuba. They are at that Havana people could not have to show them a good time and had the city decorated with huge banners of welcome in their honor.

Mrs. Cline Boone, Mrs. T. N. Dent, Mrs. J. C. Doolittle, Mrs. David Elsbury, Mrs. George Farnall, Mrs. Herman Sasser, Mrs. V. T. Webster and Mrs. Gene Womack.

ATTEND WOMAN'S CLUB FEDERATION MEETING AT PAHOKEE THURSDAY
The Pahokee Woman's Club entertained the county federation of Woman's Clubs Thursday, January 18th at an all day session, beginning at 10:00 and continuing through 3 p.m.

The morning session met in the auditorium of the Pahokee Baptist church and luncheon was served at the clubhouse at 12:20 p.m., followed by an afternoon session.

Attending from Belle Glade were Mrs. H. D. Beck, Mrs. Ivan Van Horn, Mrs. John M. Hethell, Mrs. Walter Hooker and Mrs. F. C. Doyle.

The social hour was spent

**A FRIEND TO FARMERS
APPEARS ON MARKET**

Chemists have been searching around
for a new insecticide that had better killing
qualities than the popular DDT, and it has
come in the form of

RHOTANE

It will give Better, Safer Protection
against Corn Earworms and Borers, and
other plants on which DDT has been used.
It is approximately 1-5 — 1-10 as toxic to
warm blooded animals as DDT.

Research has shown that Rhotane has
been most successfully used in spraying
Vegetables, Forage Crops, Live Stock,
Fruits, in Mosquito Control and many other
new uses. A deadly enemy to "hornworms".

OBSERVATIONS

Continued from page 1

museum where vast collection
of circus equipment, parapher-
nalia and wall bills are to be
the winter quarters of the men-
agerie where all the show an-
imals are kept. Open house is the
rule each day.

Every acquaintance of the
late Mrs. Eva Horne Jones, who
was shocked and grieved over her
sudden death, said she was a friend
having on one's list. From her
early girlhood she loved to fish,
and it was not uncommon
to see her out on the canals or
some of the ponds, enjoying the
expectation of catching fish. She
had a great maternal love for
her children and by visit or
telephone kept a close check on
her sons. That little trait of love
is going to be missed by those
sons more than a bit. She now
reclines in her last home up in
the beloved hills of Carolina
where she spent most of her
life, in the old family burial lot.
Peace be to her ashes and mem-
ory.

The Board of Church Extension
of the Methodist church in the
past four years has provided more
than twelve million dollars for
the church and mission pur-
poses. This is more than the
combined expenses for a hun-
dred years. More than a thou-
sand new congregations and
churches have been established
during the same period. The
WCSB thought its agencies has
provided more than five million
dollars, the greatest contribu-
tion of all the divisions of church
work.

House wives and laundry
people have had a hard time
to find an ingredient that would
erase ink stains from a ball
point pen. It has now been
found that rubbing the ball
point on which the stain occurs in
the cloth is rayon, do not use
alcohol as it is detrimental to
the fabric. The recommended
solution is one part of alcohol
to two parts of water. Several
applications may be needed before
success.

Talk about smoldering fire
in muck lands, they are nothing
compared to the political fire
that has been raging in affairs
of the Everglades Fire Control
District, for the past two or
three months. It sprang into
flame at the quarterly meeting
of the trustees in Belle Glade
last Friday morning. Talk about
pyrotechnics, there was plenty
displayed and in terms of the
street it was indeed a "hot" an-
nouncement. There was an element
down in Broward county which
has been working hard to get
a "favorite son" named to the
chief trusteeship, and from
Broward county, who had a
willing candidate, in the person
of Tom Campbell, former com-
missioner for years.

To the credit of Chief Warden
Guy Bender, who has been in
the office for 14 years, no
charge of neglect or inefficiency
has been placed against him.
Interested parties want to make
the chief position a political one.
After all the fireworks were
over, Bender was re-elected as
chief, for an unnamed term, and
one warden from Broward coun-
ty, Chas. Davis, marked for the
axe, when his term expires in
the near future. The vote to re-
tain Bender was 5 to 3. So long
as Bender is Chief the central
headquarters of the district will
remain in Belle Glade.

The latest parking meter col-
lection amounted to \$427.00,
one of the largest collections
ever taken out of the coin re-
ceptacles.

Lots of seed planting was
done in the Glades the past
week, and the spring crop ac-
cording to the weather should be
a good one. Corn will have the largest plant-
ing. The window sunflowers
were badly damaged and in
some fields where the winds
were the strongest were a com-
plete loss.

Better get that 1949 auto tag
on your machine, or you will
be receiving the attention of the
highway patrol officers.
January 15 is the last day that
1949 tags are legal.

Arbor Day has been a func-
tion which has been celebrated
for a quarter of a century,
mostly by farm groups.
However, since the State Board
of Public Instruction has made
an event in the school year, the
planting of trees and shrubbery
has been advancing. This day
comes on the 20th of January
this year, and state wide aware-
ness has been proclaimed by
state and school officials. The
Florida Forestry Department
has donated many thousands of
seedling pines to schools, and
to 4-8 and Future Farmers of
America forestry projects. The
department produced 25,000,000
seedling pines this year and has

sold all but 5,000,000 of them.
If Floridians do not take up the
surplus, then the Department
plans to offer same to nearby
states for forestry purposes.

Going to be some changes
made in the high school foot-
ball rule book covering the coming
season's games. The new rule
provides that the defense team
may advance the ball on a fumble,
a bobbed back play, or a
"muff". The latter is termed a
play when the ball has been
worth in possession of the de-
fensive team. Balls kicked into
the end zone, will be declared
"dead" the moment it passes
over the goal line and counts as
an automatic touchback.

Burdine stadium was a popu-
lar place for Pahokee citizens,
as more than a hundred of them
witnessed the fine game be-
tween Santa Clara and Kentuck-
y, which the Californians won.
Belle Glade sent down even a
larger delegation than did Pa-
hokee.

The only athletic team which
has not received the patronage
it deserves, the basketball team,
has been a lot of sport and
skill in this indoor pastime, as
why not give the boys a lift at
each game to give them the
spirit to go out and win their
games?

One local gasoline distributor
and retailer made the remark
that he had never seen a petro-
leum product that in any time
in the history of his company
and the wonder to me, is where
it was all consumed. A large
part went for pump fuel.

A number of the connecting
streets over in negro town are
being finished, widened and a
rocked by the City Street De-
partment. Will make travel
more smooth and safe.

The capital city of Palm
Beach county continues to grow
and expand. City Building in-
spector reports that nearly nine
million of new construction
work was done in 1949. Palm
Beach also had a comparatively
high record. Miami's record was
also high. Building outside the
Miami city limits hit a new high
level.

Those new advertising bro-
chures which the Chamber of
Commerce is now issuing are
clever and pretty and should be
the means of giving our fair
city lots of favorable publicity
over our land. Many requests
for information concerning our
area had piled up in the office
and each applicant has now
been forwarded one of the fol-
lowing:

State Highway Patrolmen and
City Police are happy to state
that no highway fatalities oc-
curred in this district over the
Christmas holidays, and they
appreciate the care in which op-
erators of cars handled their
machines.

Doggone it, I estimated that
what I wanted more than any-
thing else was a cigarette light-
er for Christmas. No dice, but
I received plenty of over-sized
New Football Coach

The Board of Control and of-
ficials of the University of Flori-
da, at Tallahassee, on last Fri-
day night, settled the question
as to who would be the new
football coach at the Glades-
ville University by naming Bob
Woodruff, of Baylor University,
at Waco, Texas, as the man.

Woodruff was tendered and
accepted a seven year contract
at \$17,000 a year, making him
the highest paid employee of
the state. The salary is to be
paid both by the Board of Control
and the Athletic Association.

The new coach will work un-
der different relations than have
been of previous coaches, in
that he will be responsible to no
other source of power.
President Hilla Miller, of the
University. He is also given the
power to select his own coach-
ing staff, and will assume his
new duties on January 20th.

Woodruff is one of the out-
standing coaches of the college-
world and public expression
of the state coaching world
speak approval of the action of
the state and school officials in
his selection, as a most fortu-
nate act.

Woodruff made a fine show-
ing at Bayhill especially with
his 1949 team, which won eight
and lost two in its schedule.
**Red Cross Seeking
Funds For Work
During Coming Year**
A fund goal of \$91,325 in
Palm Beach County was an-
nounced by the Palm Beach
County Red Cross Chapter for
the 1950 fund campaign to be
held in March.
The fund goal was announced

by P. P. DeMoya, county fund
chairman, who said the amount
represented an increase over
funds which were collected a
year ago during the annual
drive. The increase, he said, was
the result of an increased quota
of funds which the local chap-
ter contributed to the National
Red Cross. The county Red
Cross budget, DeMoya said, is
less than the budget for last
year, the 1949 county quota was
\$48,190.

A fund committeemen, the
chairman said, have set Feb. 26
as Red Cross Sunday through-
out the county and that plans
are being made to complete the
fund organization so that the
campaign can be finished in 10
days. The drive will open March
1.

A series of regional meeting,
DeMoya said, will be held thru-
out the county during January
so that final plans for the drive
can be completed in every com-
munity well in advance of the
date set for launching the fund
campaign.

Several new fund divisions
have been set up this year in
the Everglades, where some of
the small communities have
been removed from the old di-
visions and new fund campaign
groups have been established.

New divisions have been
designated at Canal Point, South
Bay, Bean City, Bear
Beach and Lake Harbor. These
communities previously were a
part of the Belle Glade and Pa-
hokee Divisions.

**County Department
To Put Up Signs
In Fire Ravaged Areas**

Florida motorists, passing re-
cently burned-out woodlands
will soon see big red-lettered
signs reading "Look What Fire
Did."

The signs are to be erected by
fire fighting crews of the Flori-
da Forest Service and by mem-
bers of various County Farm
Bureaus over the State, accord-
ing to John Ford, executive
vice-president of the Florida
Farm Bureau in an announce-
ment here this week.

"The idea might be
beneficial in preventing
Forest Fires, by calling the at-
tention of passing motorists
to the damage done by fire."
The Florida Farm Bureau is Ave. E

indebted to Wm. S. Chambers,
Jr., of the Forest Service and
to the International Paper Com-
pany for supplying the sign
cardboard material," he said.

"Since the beginning of World
War I automotive power, re-
placing horses and mules on
farms, has released about 65
million acres formerly used for
feed production.

FOR THREE YEARS PAST...

**World's Largest Selling
Station Wagon**

Because

FIRST station wagons with all-steel body and top—safer,
longer lasting, easier to maintain.

FIRST passenger-and-utility vehicle ever offered with choice
of the conventional 2-wheel-drive model or the new 4-Wheel-
Drive Willys Station Wagon!

FIRST Willys car planned in every detail as a dual-purpose
vehicle—seats removable to provide up to 120 cu. ft. of load
space... seats and interior washable... wide, strong rail-
gates.

FIRST station wagon of such low weight... with overdrive
at no extra cost on 2-wheel-drive model.

**WILLYS Station Wagon**

—Bought by more people during the past three years than any other make!

GUAVAS...

**FLORIDA'S
"CINDERELLA" FRUIT**
can support an entire
NEW INDUSTRY!

**AMAZING FACTS
REVEALED BY RESEARCH**

Average Vitamin C content of guavas is
exceedingly high. Florida guavas could
easily supply the entire world's needs
of this vital vitamin.

Florida guavas could supply enough
vitamin-rich baby food for all the babies
in the United States.

Amazingly versatile as a food... delicious
as a fresh fruit... guavas make fine
jellies, canned fruit, beverages, frozen
food, dried fruit, health food and flavoring.

Easily processed... guavas freeze with-
out loss of flavor or vitamins... can be
preserved, canned, frozen or dehydrated.

Good for man or beast, guavas are a
potential source of a commercially
feasible, vitamin-rich live-stock feed.

Guavas grow so easily
in Florida that few actual
groves exist. Most of the supply
for Guava Jelly comes from
wild trees.

Yet under cultivation
guavas will yield an amazing
crop. Trees mature in 3 to 5
years, bear fruit year round, will
grow in almost any kind of soil.

Research at the University of
Miami indicates the possibility
that a great guava industry
can be developed in Florida...
facts are available for all who
are interested.
